Fulbright English Teaching Assistant Award 25/26

ISG has once again been recognized with the Fulbright English Teaching Assistant Award!

This year we welcome Professor Joceline Rodrigues **from** the University of Rhode Island, who joins us in Lisbon with some incredible news: free English classes for ISG students!

This is another achievement that demonstrates ISG's international trajectory.

Workshop EDUWell 2026 – Education, Development, Understanding and Well-being

Conference Venue: University of Madeira
Conference Dates: March 31 to April 2, 2026

This workshop will provide a dedicated space to reflect on how education, innovation, and well-being intersect in higher education. The central aim is to explore how institutions can balance technological progress with human-centered approaches that foster resilience, inclusion, and happiness within academic communities.
